Survey Questionnaire

Meeting Our Muslim Neighbours Project

Meeting our Muslim Neighbours is an ELCIC program to assist ELCIC congregations and their pastors in engaging their Muslim neighbours in conversation. This interfaith initiative helps grassroots church members meet their Muslim counterparts in discussion about faith, worship, and service, as well as ordinary aspects of their lives. Through new ways of understanding and working with Muslim neighbours, we move to a more inclusive and community-centred society

1. Has your pastor engaged in some form of dialogue with Muslim neighbours? Yes No

Comments: _____

2. Has your congregation been involved in any intentional relationship with its Muslim neighbours? Yes No

Comments: _____
