

NOMINATION FORM

It's Your Call

This is your opportunity to identify potential candidates for ministry. Is there someone within your congregation that you think has gifts, and perhaps a call, to ordained or diaconal ministry? Is there someone you know in another congregation? You may be able to help someone hear this call.

Refer to the **Candidate's Profile** for a list of qualities you might reflect on as you consider making a nomination.

After prayerful consideration, I believe that this person has the gifts and qualities to become an ordained or diaconal minister. I would like to nominate this person to be considered as a leader in our church.
